It's Time To Think About Christmas

Local War Chest Needs Volunteers

Mrs. Clara E. Lane, 634 Hanover street, who has been selected as chairman of Daly City's War Chest drive, this week, announced her need for volunteer workers to make a success of the important October campaign. Anyone who could serve is invited to contact her at RAndolph 4503.

The San Mateo County War Chest will seek funds for such organizations as the USO, War Prisoners Aid, United Seamen's Service, 16 United National relief agencies, and home-front welfare organizations. This will be the second county-wide War Chest drive.

Local residents are asked to plan to give at home in Daly City, rather than in San Francisco, as donations made in San Mateo county are used for the home-front welfare agencies which serve Daly City.

Congressman Jack Anderson Here Today

Congressman John Z. "Jack" Anderson spent today, August 10, in Daly City, talking with his constituents. He had lunch with local business men and city officials, at noon, in the new Aleutian restaurant in the Colma business section.

Anderson represents the Eighth district, which includes San Mateo county, in Congress. He seeks reelection to the post in November.

Announce Vacation Bible School Plans

Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues, this week issued an invitation to all children of the community to attend the vacation bible school which it will conduct, August 14 through August 25. The school will assemble at 9:30 a. m. and be dismissed at noon, every Monday through Friday.

Children between the ages of 5 and 15 who would like to participate in the activities are asked to register, Saturday, August 12, 10 a. m. to noon, at the church. First school session will be Monday, August 14, 9:30 a. m.

There will be worship, study, play, and crafts for kindergarten, primary, junior, and junior high pupils.

Mrs. Grace L. Wheeler is superintendent of the school. Bible director is Reverend D. C. McKisson, pastor of the church, who will also teach the junior boys. Mrs. Lucille Lemon will supervise the junior girls; Mrs. Lucille Miller, the primary department; Miss Verna Mae McKisson, the kindergarten.

The junior high girls will qualify as assistants in the different departments. They will also have a class in "life is interesting."

Assisting with the keeping of records will be Mrs. Alva Danner, Mrs. Mabel Brown, and Mrs. Esther McKisson.

Crafts will be under the direction of Joseph Straughan, well-known Scoutmaster.

The church would prefer that all interested youngsters register, August 12, but new students may sign up any day during the school.

Judge Sweeney Fines Six At Friday Court

At Friday's city court session at the city hall, Judge William J. Sweeney meted out six fines.

Those who paid for traffic infractions were: George Pratt, 457 Beach street, San Bruno, $2.50, parking in prohibited place; Richard P. Kemmerling, 99 Crocker avenue, $2.50, following a fire truck too closely; D. C. Foster, 499 Knowles avenue, $3.50, improper parking and overnight parking; Dan Noziglia, 1028 Penn avenue, Richmond, $2.50, signal; Walter Skiba, 2191 Mission street, $10, speeding.

Mrs. Gold To Take Over Park Supervision

Mrs. Betty Otton, who has been supervising the summer recreation program at Lincoln park, Brunswick and Acton streets, will leave for Los Angeles, Wednesday, August 16, to make her home. Taking over her duties at the park will be Mrs. Enid Gold, 170 Acton street.

Mrs. Anne Eason, speaking for the Daly City Recreation committee, announces that the popular recreation program for grammar school age youngsters will continue until classes are resumed in September.

The children who participate in the program enjoy some special event every Wednesday. Yesterday, it was an outdoor picnic.

Hours at the park are 10 a. m. to 5 p. m., Monday through Friday, and 10 a. m. to noon, Saturday. All youngsters are invited to attend.

Schedule Two Good Games For Sunday

Daly City baseball fans are promised two good games on the Marchbank park diamond, Sunday, August 13, according to Al Earle, who handles bookings at the park. At 11 a. m., the Daly City Juniors are scheduled to meet one of the faster teams of the Eagle Junior league of San Francisco, followed at 2:30 p. m. by a clash between teams of the Longshoremen and Machinists Union No. 115.

Last Sunday, the local Juniors pounded out a 12-1 victory over the Menlo junior college squad, for the opener. La Rocca downed the Coast Guard, 8 to 1, in the afternoon contest, as winning Pitcher Andrango allowed the service team only three hits.

Draft Board Gives Total Now Serving

Daly City Draft Board No. 103 reports that 1,915 men from its area of jurisdiction are now in the armed forces. Of this total it is estimated that Daly City and Colma have supplied well over 50 per cent. This figure includes men who have enlisted as well as those drafted.

Jurisdiction of the local board includes South San Francisco, Brisbane, Sharp Park, and Rockaway Beach as well as Daly City and Colma.

Men from this community who were inducted with the group entering the services, July 28, included Harry King, 215 Los Olivos avenue, Army; Alfred Giusto, 150 First avenue, Colma, Army; Leo Bottini, 201 Price street, Colma, Army; Richard Schultz, 492 Santa Barbara avenue, Navy; Alfred Lagomarsino, Colma, Army.

During this month, Mrs. Isabelle Flynn, chief clerk, reports that 54 men will take preinduction physicals, August 22, and 42 men will be inducted, August 31.

Sergeant Kennedy Leaves Omaha Post

Sergeant **Evelyn Kennedy** has been transferred from Omaha, Nebraska, to the United States Marine Corps Central Procurement Division Headquarters Induction and Recruiting office, Milwaukee, Wisconsin. She reports that the city of Milwaukee is very friendly to the service people, providing many shows and special events for them. The U. S. O. furnishes long distance calls every Sunday for the armed forces. Last Sunday, Sergeant Kennedy was able to talk with her parents, Mr. and Mrs. Peter Ciemoli, 813 Brunswick street.

Sergeant Kennedy, widow of Ray E. Kennedy, one of the first Daly City boys to meet death in World War II, joined the Marine Corps in July, 1943.

NEWS OF OUR MEN and WOMEN IN UNIFORM

15th AAF—Second Lieutenant **Robert S. Capps,** 21, whose wife Mrs. Barbara Mae Capps resides at 345 Winchester street, Daly City, California, has been awarded the Fourth Oak Leaf Cluster to the Air Medal, it was announced by the Fifteenth Army Air force.

In the words of the citation, the award was made "for meritorius achievement in aerial flight while participating in sustained operational actvities against the enemy."

Lieutenant Capps is a pilot on a B-24 Liberator bomber in a group, commanded by Colonel Thomas W. Steed of Etowah, Tennessee. He entered the service April 24, 1942, and received his commission and wings on June 30, 1943.

Since coming overseas to the Italian campaign six months ago, he has participated in repeated aerial assaults against Ploesti, Vienna, Steyr, Toulon and other strategic centers throughout southern Europe.

Lieutenant Capps was a student at San Mateo junior college at the time of his enlistment. He's a graduate of Jefferson Union high school.

Mrs. Cathleen Robinson, 177 Oliver street, was notified, Sunday morning, August 6, by the War department that her son, Corporal **William Thomas Robinson** had been killed in action in France, July 10. He was only 22. Before entering the Army he was employed at Southern Pacific and had attended San Francisco State college.

Corporal Robinson was in the field artillery, Thirtieth division.

He had a brother, Monte, and a sister, Jerry. His aunt, Mrs. J. Sheridan lives at 274 Woodrow street.

Charles Kenneth Fellows returned to Camp Bowie, Texas, Friday, August 4, after a visit with his parents, Mr. and Mrs. Horace Fellows, 163 Vista Grande avenue. He is in the armored infantry.

When Fellows first entered the service, he was sent to the New Mexico College of Agriculture and Mechanical Arts to continue his studies as an engineer, begun at the University of California when he was still a civilian. He's a graduate of Jefferson Union high school.

Corporal **Charles P. Brush,** Daly City, is now overseas with a field artillery battalion.

Mrs. Ada VanPelt, 348 San Diego avenue, received a telegram, Monday, August 7, from the War department, advising her that her husband, Staff Sergeant **Kendal T. VanPelt** had been wounded. He has been sent back to England from France for hospitalization.

VanPelt, who received shrapnel wounds in both knees, July 15, had been in France since D-Day. In fact, he was with one of the first tank groups to effect a beachhead in France. He has already received a commendation for his part in D-Day. He has been overseas since February.

VanPelt's wife and 18-month-old daughter, Elizabeth Claire, make their home with his parents, Mr. and Mrs. Arthur VanPelt. He's a graduate of Jefferson Union high school and has a brother, **Duane Van Pelt** in the Merchant Marine.

The two brothers just missed meeting in England before D-Day since it was impossible for Duane to send a message to Ken with the all-important day so near. There just weren't any messages being accepted.

Ken learned about tanks at Camp Bowie, Texas.

From Saipan

(By Sergeant Herb Shultz, Albany, New York, a Marine Corps Combat correspondent, formerly of the Albany bureau, Associated Press.)

Saipan, Marianas Islands—(Delayed)—A Marine machine gunner, Corporal Fred B. Vaughn, 115 Templeton avenue, Daly City, California, and his comrades came into their own during the two-day "battle of the swamp" which took place during the early fighting on Saipan.

The battle, which saw six guns in one sector fire an average of 15,000 rounds apiece, got under way as Marines skirted the mucky waters of Lake Susupe and started pushing through a wide swamp beyond. Running into stiff enemy resistance, the machine guns pulled back and set up in a line on firm ground along the edge of the swamp.

Shortly afterward, a string of Japs advanced toward Marine lines, giving the impression that they were surrendering. Suddenly, the first Jap threw himself on the ground, disclosing a light machine gun strapped on his back. The Jap behind him started firing. It was an old trick, first used on Guadalcanal, and the Marines were prepared for it. In 30 seconds of firing, they killed at least a half dozen Japs. The rest withdrew.

The real battle developed the next morning when the Japs opened up with a burst of machine gun fire. After a brief lull, the enemy launched a full-scale attack on the Marine lines. The swamp seemed alive with Japs, all yelling their blood-curdling "Banzai" battle cry.

At this point the Marine machine gunners came into full play. For an hour and a half they fired their steaming weapons without letup, duelling with enemy guns and knocking out Jap riflemen whenever they came into view.

"We knocked them off by the dozens," Corporal Vaughn said. "It was just like shooting jackrabbits back home."

Finally, the remnants of the Jap force fell back into the swamp, and the way was clear for Marines to push further inland. Jap losses in the pitched battle are estimated at at least 300.

Aviation Cadet **Nicholas Gust** has just reported for duty at the Big Spring Bombardier school, Texas, where he will begin his bombardier training, it was announced by Colonel John P. Kenny, commanding officer of the school.

Cadet Gust is a son of Mr. and Mrs. Charles Gust, Rockaway Beach. He is a graduate of Jefferson Union high school in Daly City, and before entering the service was employed as a welder at Bethlehem Steel company.

The Big Spring Bombardier school, one of the world's largest bombing colleges, graduates a new class of highly trained bombardiers every three weeks.

Corporal **John R. "Bob" Baker,** who formerly was a reporter on this newspaper, just wrote to let the staff know he was still in England and that he had met another man from Daly City, **Al Winter.**

"I was really glad to meet him after sweating it out some 15 months without seeing anyone from Daly City," Bob said. "He's the closest to home I have seen and he said the same thing. Naturally we did plenty of talking and plenty of wishful thinking."

Baker is attached to a U. S. Army general hospital in Great Britain.

Here Are Rules On Overseas Mail

Instructions for sending Christmas mail to members of the armed forces overseas were announced, this week, by J. J. Haley, superintendent at the Daly City post office, 6251 Mission street. Packages and cards should be mailed between September 15 and October 15.

He urged that more care be taken in wrapping and packaging parcels securely and addressing them clearly and correctly. The complete address should also be shown on a sheet of paper inside the parcel in order to permit identification of the addressee in the event the outer wrapper becomes torn or destroyed in transit. It is absolutely necessary that all articles be packed in boxes of metal, wood, solid fiberboard or strong double-faced corrugated fiberboard reinforced.

Parcels must not exceed 5 pounds in weight nor be more than 15 inches in length or 36 in length and girth combined. "Christmas Parcel" should be marked plainly on the outside. One sender may mail no more than one parcel a week to the same addressee.

No requests from the addressees are required in connection with Christmas parcels mailed to Army personnel, during this period only.

Perishable matter will not be accepted and the sending of fragile articles is discouraged. Prohibited articles are intoxicants, inflammable materials, including matches of all kinds and lighter fluids, and poisons or compositions which may kill or injure another or damage the mails.

Postage must be fully prepaid on packages and Christmas cards, which are to be mailed between September 15 and October 15 too, must be sent first class and are to bear the return address of the sender.

Postal money orders may be used to transmit gifts of money to members of the armed forces outside the continental United States. This service is not available to members of the Merchant Marine. Mail for personnel of the Navy, Marine Corps, or Coast Guard may be accepted for registration or insurance if it conforms to existing requirements.

Armed personnel are amply provided with food and clothing and the public is urged not to include such matter as gift parcels.

Parcels addressed to overseas Army personnel should show, in addition to the name and address of the sender, the name, rank, Army serial number, branch of service, organization, A. P. O. number of the addressee, and the post office through which the parcels are to be routed.

Parcels for naval personnel, including the Marine Corps and Coast Guard, should show, in addition to the name and address of the sender, the name, rank or rating of the addressee and the naval unit to which he is assigned with the Navy number assigned thereto or name of the ship and fleet post office through which the parcels are to be routed.

Christmas mail for members of the United States Merchant Marine should also be mailed between September 15 and October 15 but parcels for them cannot be registered nor insured and there is no money order service available to this branch.

Why It's Never Dull For Daly City Police

The things people will steal!

Officer Henry Sundermann jr., Wednesday night, August 2, took a report on the theft of two dozen baby chickens from the back yard of Mrs. Stahlman, 359 Lowell street. They were Plymouth Rocks and the owner had no idea who might have taken them.

Two unidentified sailors accosted and robbed Roy L. Miller, 538 Vista Grande avenue, early Saturday morning, August 5. At 2:30 a. m. Frank Ventura, 198 Vista

Whimsical Film Opens At Daly City

"Once Upon A Time," Columbia's new comedy currently starring Cary Grant and featuring Janet Blair at the Daly City theatre, is the fabulous tale of a fabulous guy . . . whimsically woven of romance . . . and tenderness . . . laughter . . . and that thing called "heart."

It's different . . . chucklesome . . . and will give you that warm, tender, joyous feeling only a great motion picture experience can do. When you see it . . . you won't believe your eyes . . . but your heart will tell you that it's the grandest, most whimsical surprise to come out of Hollyowood this year . . . or any year. It is something new under the Hollywood sun.

Besides Cary Grant and Janet Blair, the cast includes Ted Donaldson, fresh from his Broadway triumph in that smash hit, "Life With Father;" Mickey McGuire, remember him in "Our Gang" comedies?; the veteran comedian, James Gleason, William Demarest and Howard Freeman.

The screenplay was written by Lewis Meltzer and Oscar Saul from the original story by the famous radio writer Norman Corwin and his collaborator, Lucille Fletcher Herrmann. It was directed by Alexander Hall.

"Once Upon A Time," which was originally a radio program titled "My Client Curly," became an overnight sensation and through repeat performances, something almost unheard of in radio, and transcriptions was heard and taken to the hearts of four continents.

Grande avenue, called the police department to report that a commotion was taking place in the vacant lot next to his house. Officers Roland A. Petrocchi and George Savage investigated. They found some cards and letters on the ground addressed to Miller and some blood. After tracing Miller to his home the officers found that he would not need hospitalization and that the sailors had stopped him to ask for a cigarrette and then beat him up.

August 2 at 2:10 p. m. Officer George Hopman responded when a man called in to say a woman had fallen from a horse while riding on Eighty-eighth avenue between Junipero Serra boulevard and Sullivan street. She was Lea Carrol and it was necessary to rush her to Alemany Emergency hospital in the Daly City Ambulance. Archie Banfield and F. Mather drove. She had a possible fractured skull and was transferred to San Francisco hospital. With her at the time of her tumble was a friend, Barbara Hilliard, 1165 Valencia street, San Francisco.

Officers Sundermann, August Benassini, and James Welch investigated an auto accident at School and Mission streets, August 3 at 6:20 p. m. Drivers were Charles Hoehm, 4126 Anza street, San Francisco, and Patrick Rielly, U. S. Navy.

Company No. 1 and Company No. 6, D. C. F. D., assisted by Officers Sundermann, Benassini, Welch, and Acting Chief William Bolger, brought a grass fire at the corner of Vale and Mission streets under control, August 3 at 7:30 p. m.

Officer Savage raced Old Doc Stork to Franklin hospital, August 5, 6 a. m., when a local woman called the department to report that she was about to have a baby and no one was home to take her to the hospital.

An alarm from Box 17 called out Companies 1, 2, and 4, D. C. F. D., and Officers Sundermann, Benassini, Edward Beecher, Welch, Sergeant Ricco Benedetti and Chief Bolger, August 5, 8:35 p. m. It was a fire at 314 Irvington street.

Officers Savage and Welch while on patrol discovered that Don F. Franklin, 3498 Eighteenth street, San Francisco, driving a 1941 Chevrolet north on Niantic avenue, had run over the curb and had torn down about 30 feet of fence along the railroad tracks, opposite 361 Niantic avenue. He told the officers that he had had to jump the curb to avoid colliding with a car speeding down the wrong side of the street.

Another of those false alarms, bane of existence to both local police and fire departments, called out Companies 1, 2, and 4, D. C. F. D. and Sergeant Benedetti, Officers Sundermann, E. Beecher, Welch, and Benassini, August 6, 7:22 p. m. It was from Box 17 at Mission and Wilson streets.

Fire broke out in the basement of 416 Irvington street, August 6, 9:20 p. m. Companies 1, 2, 4, D. C. F. D., and Sergeant Benedetti, Officers Sundermann, E. Beecher, Welch, and Benassini responded and put it out.

Theft of a Chevrolet sedan near the top of the hill in Daly City between 10 a. m. and 5:15 p. m. was reported by L. McPartland, 4149 Twenty-third street, San Francisco, August 7 at 6:10 p. m. Local police broadcast the loss to both San Francisco police and San Mateo County Sheriff's office.

A grass fire at Vale and Werner streets, second within the week, called out Companies 1, 2, 6, D. C. F. D., Officers Sundermann, Welch, and Sergeant Benedetti, August 7, at 8:25 p. m.

NOW AT DALY CITY THEATRE

Cary Grant, Janet Blair, James Gleason and Ted Donaldson silently root for Curly, the dancing caterpillar, while unbelieving scientists put the furry fellow through his paces . . . or should we say 'dance steps'? It couldn't happen? It does—in "Once Upon A Time," currently lifting Daly City theatre audiences out of this grim world with its fairy tale charm.

Name Two Daly City Women To Serve On Veterans' Farm And Home Committee

Mrs. Catherine Foreman, Mrs. Leslie Hansen and Mrs. Mary Crane, Daly City, have been appointed to the state-wide Women's Committee of the World War II Veterans' Farm and Home group, according to State Chairman Mrs. L. B. McKinnon of Concord. The women's committee will work with men's groups in several hundred cities and towns of California to campaign for the adoption of Proposition No. 1 on the November 7 state election ballot. This measure provides for a $30,000,000 bond issue for the purchase of homes and farms for Veterans of World War II.

The Veterans' Welfare Board of California will administer this fund, giving opportunities to service men and women in the present global war similar to those enjoyed by Veterans of World War I, in acquiring their own homes and farms at reasonable interest rates, and attractive payment arrangements. More than nineteen thousand World War I veterans secured farms and homes costing $39,000,000, through the Veterans' Welfare board, on various bond issues approved by the voters by overwhelming majorities in 1922, 1926, 1930 and 1934.

This plan has never cost the state, counties or taxpayers a single penny, according to Ed W. Bolt, 1006 Merchants Exchange building, San Francisco, State Chairman of the Veterans' Home and Farm committee. Already scores of state-wide civic, patriotic, fraternal, labor and business organizations have unanimously adopted resolutions urging the passage of Proposition No. 1 in the November 7 general election.

To Organize Junior Baseball Team For City

Organization of a junior baseball team, made up of Daly City boys under 17 years of age, is being announced this week by Manager Ed Kruse. Sponsor of the squad is the Ed and Vince restaurant of San Francisco, and games will be played each Saturday afternoon, at 2 o'clock, on the diamond at Marchbank park.

Named the Daly City Cubs, the boys have been practicing for the past two weeks, and will play their first game, Saturday, August 12. Their probable opponent will be the San Francisco Boys club, according to Kruse.

Production Workers Prepare For Christmas

Although there are well over one hundred shopping days until Christmas, production workers of the San Francisco Chapter, Red Cross, are already getting the Yuletide spirit as they prepare for a Christmas program that includes the packing of 250,000 gift boxes for servicemen overseas and 25,000 for wounded fighting men in nearby military hospitals.

Part of a national Red Cross project to bring Christmas to every serviceman overseas no matter how far from home, the undertaking will require additional workers

Deputy Collectors Will Work Sundays

Deputy Collectors will be assigned to work Sundays and evenings to issue citations to drivers of automobiles who have failed to affix the Auto Use Tax Stamp, Harold A. Berliner, Collector of Internal Revenue announced today in San Francisco.

The purpose for this drive is to tag car owners who use their automobiles only in the evenings or on Sundays.

Particular attention will be given summer resorts and vacation centers the collector said.

Car owners who have failed to purchase the Auto Use Tax Stamp must obtain the stamp and in lieu of more severe penalties ($25 fine or 30 days in jail) submit an offer in compromise of $5 for failing to affix the stamp. This "offer" must be made within 10 days after the citation is issued.

The collector pointed out that automobile owners, who have not as yet purchased the stamp, may still do so without incurring penalties, providing they have not been issued a citation by a deputy collector.

The drive on car owners who have failed to affix the Auto Stamp to their car will continue throughout August, Collector Berliner said.

You Can Have A Job With A Future in Air Transportation

You want to do your part in the war effort but at the same time you have to think about the future. Before the war United Air Lines had 4,300 employees and within four years after the war it will need 18,000 workers. You can take part in this war program today and also participate in the post-war expansion in air transportation.

At San Francisco Airport today, United Air Lines needs men for the following positions: sheet metal, instrument repair, welding, plane overhaul, engine overhaul, plane operations, cargo handlers, utility plane cleaners, janitors, engine parts cleaner, part-time porters, and accounting clerk.

At United Air Lines you receive these benefits—vacations with pay, insurance protection, periodic wage review, and retirement plan.

See us about that job with a future. Two offices: San Francisco Airport, Bayshore at San Bruno Avenue and 421 Powell Street, San Francisco.

Veteran Firemen Hold Regular Meet

President Ernest Romer called the regular monthly meeting of the Daly City Veteran Firemen's association to order at 8 p. m., Friday, August 4, in the hall at 188 Santa Barbara avenue. H. H. Smith sr. gave a talk on the early fire commissioners of the community. He told of how the group began its work in 1910.

Dean Wood was the member with the biggest grin, Friday night, but he had no monopoly on satisfaction when Chef Remi Sanders served one of his popular lunches at the close of the meeting.

Mrs. Pahlka To Be Hostess To Crocker

Mrs. Vivian Pahlka, 569 Winchester street, will be hostess to members of Crocker P. T. A. sewing club, Tuesday, August 15, beginning at 11 a. m. The ladies are working on articles for the sale of hand-made fancy work which they will hold in the fall.

Last meeting of the sewing club was held at the home of Mrs. Margaret Holzworth, 198 Acton street, Tuesday, August 1.

Dale Hovey Gets Nice Promotion

Last Thursday, August 3, Dale Hovey stopped in Daly City to visit briefly with old friends here. He was formerly staff photographer for the Daly City Record, in addition to maintaining his own studio.

For the past two years he has been in Sacramento with the U. S. Department of Interior. He has just received word of his promotion to chief of the division of photography at Amarillo, Texas. His wife, Doris, and his two children will accompany him from Sacramento to Texas.

MANUEL QUEZON

Manuel Quezon will not be present when General MacArthur and his men march back into Bataan and Corregidor. The man who led the fight for independence of the Philippines and became its first president only to see his country overrun by the Japs in 1941, passed away just at the time when our forces are gathering for the final blow to regain that land.

Quezon was just 20 years old when the American troops drove the Spaniards out of the Philippines in 1898. He joined the Rebel forces of Aguinaldo and became chief of staff in the native movement opposing the United States, until that movement collapsed.

His burning determination for Filipino independence did not lessen, however, and when he went to Washington in 1909 as the Philippine resident commissioner he argued his cause so eloquently that in 1916 the Filipinos were given almost complete self-government.

But when the shadow of Japan fell darkly across his native land, President Quezon began to favor the continuation of close ties with the United States. He realized that the Philippines would need help in case of war.

The work which he has done for his country will not be lost and though he will not witness the victory procession in Manila, his spirit will march with those who have fought for freedom.

GI JOE DISCOVERS AMERICA

There are now more than six million Americans serving on land and sea outside of the United States. Undoubtedly, the great majority of them had never been outside of the country before, and many probably had never been more than a few hundred miles from home.

Now continents and oceans lie between them and the places they know and love. Now they are "seeing the world"—much of it through the sights of their guns. Now they are visiting strange and bewildering places. Now they stand watch on frozen ground near the Arctic circle; plod through equatorial jungles; sail the seven seas.

Many of our fighting men are "seeing" for the first time—not foreign lands—but America. Having the opportunity to experience first hand the customs and living conditions of foreign countries—not to mention the weather—our GI Joes appreciate more than ever the land they left behind them.

Viewed from thousands of miles away the little things at home take on hallowed significance—walking down Main street, the Saturday night dance, the swimming hole, ice cream sodas, hamburgers, hot dogs, baseball games, driving on the open road with a girl, sitting on the porch in the quiet of a summer evening.

It has been said that the American soldier does not know what he is fighting for. Probably he does not grasp the full significance of the economic and political factors that underlie this world conflict. But one thing he does understand, that by fighting he is making it possible for Americans to enjoy the little things, the precious things that make America what it is.

And he has pretty well made up his mind that when he gets back home he isn't going to be "from" there any more.

"MISSION ACCOMPLISHED"

On June 12, Uncle Sam set out to raise $16 billion to help further finance the war. This was the largest amount any nation had ever tried to raise at any one time.

On August 1, Secretary of the Treasury Morgenthau announced, "Mission accomplished"—with more than $4½ billion to spare!

This was truly a national achievement made possible by the sales efforts and the purchases of many millions of Americans. What was probably the greatest organized sales force in history was on the job throughout the nation. For example, thousands of chain and independent retailers in California banded together in the formation of the Third Army—the name given to the employees who energetically sold War Bonds along with food and merchandise.

Each of these workers had a goal of $300 in Bonds to sell, but their enthusiasm enabled them to average practically double that amount.

Although the sum subscribed in the Fifth War Loan was "interplanetary" in its size, it will pay the costs of the war for only a few months since we are spending over seven billion dollars every 30 days in this global struggle.

So let us not rest on our laurels. Let us keep on working and saving and buying War Bonds. It's the price of victory—and victory is worth it.

LESS OPTIMISM

During the darkest days of the war, Prime Minister Winston Churchill did not hesitate to tell the people of Britain and of the Allied nations the blunt truth even when it hurt—as it often did.

In view of this, his recent statement in the House of Commons that victory "may perhaps come soon" can be taken as an expression of his sincere conviction that the end in Europe is apparently in sight. But Churchill's statement is dangerous. If people could hear such declarations and not in any way relax their efforts toward final victory all would be well. But that isn't the way of human nature.

Here in America, thousands of persons have left war jobs because they believe the war is "just about over." The prime minister's words will strengthen that belief. Yet, there is a most urgent need right now for increased production of heavy artillery, heavy trucks, bulldozers and cranes, all of which are essential to bring the conflict to a successful conclusion.

We should remember that no matter how near the war in Europe is to its end, it needs our full support on the home front until the last shot is fired. And we should remember, too, that the war in Europe is only half the battle. Japan is still to be conquered and there is every reason to believe that the last stages of the Pacific war will be the hardest.

Court St. Mary

Court St. Mary No. 1155, Catholic Daughters of America, will hold their regular monthly meeting, Thursday, August 17, 8 p. m. at Masonic hall, 17 Hillcrest drive. Mrs. Helen Rode, grand regent, will preside.

After the business session, a social will be enjoyed. The trustees of the court will be in charge of the refreshments.

Design Silver Badge For Glider Troops

The newly designed Glider badge for glider troops is silver and depicts a glider resting on a pair of joined wings, identical to those used on the Parachutist emblem, and is awarded only to soldiers qualified for glider activities, stated an announcement received today at headquarters, Ninth Service Command, Fort Douglas, Utah.

Buy War Bonds!

Small Talk - -

By M. F. "POP" SMALL, United Press Staff Correspondent.

SACRAMENTO, August 7 (UP)—Secretary of State Frank M. Jordan is grinning like a Cheshire Cat.

He stirred up a tempest last week, and it wasn't in a teapot. His revelation that "soldier ballots," which aren't supposed to be cast until after October 1, have already been voted, had nationwide repercussions.

Actually, a soldier ballot, or "federal ballot," isn't to be used at all by a Californian in the service unless he fails to receive a state ballot in time for it to be counted in the November election.

The 150 federal ballots which came to Jordan's office last week, moreover, were probably cast before the Democratic party had nominated for president and vice-president. Jordan feels that he cannot open the ballots to see what's in them, but it would be interesting to know whether Mr. Roosevelt got any votes. You wouldn't like to make any bets, would you?

After Jordan gave out, a dozen other states revealed that they also had received premature ballots.

The early voting was done by sailors, marines and men of the coast guard. The Navy department said it was all a mistake.

The War department telephoned from Washington to assure Jordan (1) no soldier had voted prematurely; (2) the War Ballot commission, headed by Secretary of War Stimson, prints and distributes the so-called federal ballot, but is not responsible for the use made of them.

Apparently the crew of a couple of submarines voted early because they figured they might be

READING & WRITING

BY *Edwin Seaver* AND *Robin McKown*

John P. Marquand, Pulitzer prize-winning novelist and well known magazine and detective story writer, has joined the editorial board of the Book-of-the-Month Club.

JOHN P. MARQUAND

The addition of Mr. Marquand to the board brings the total up to the original number of five for the first time since the death of Heywood Broun in 1939. Mr. Marquand's appointment follows closely that of Clifton Fadiman in May, replacing the late William Allen White. In addition to Mr. Marquand and Mr. Fadiman, the board includes Dorothy Canfield, Christopher Morley and Henry Seidel Canby.

Mr. Marquand has had two of his novels—"H. M. Pulham, Esq.," and, more recently, "So Little Time"—chosen by the Club. Now that he is a member of the Club's editorial board, however, no more of his books may be chosen. It has been a rule of the organization, since its inception in 1926, that no judge may have one of his own books selected for distribution.

In announcing the appointment of the new judge, Harry Scherman, president of the Book-of-the-Month Club, stated: "John Marquand's straight and unorthodox appraisal of people and life has become well known to the public through his novels. It extends to books. The present members of the Board are delighted that henceforth they will have his good sense and judgment supplementing their own views."

"Anna and the King of Siam" by Margaret Landon, tells the story of Anna Leonowens who taught the royal children of the King of Siam and acted as his personal secretary back in the 1860's. The King's limited knowledge of the English language sometimes caused curious mix-ups. Once he found an English newspaper story which referred to him as "a spare man." Enraged, he protested he was not a spare man, that the Kingdom couldn't possibly do without him. Anna vainly protested that the story merely meant he was a thin man. He wouldn't listen to her. He insisted on having an elaborate dinner for all the English in Bangkok. He would show them. At the dinner, Anna whispered a few words to the English consul, who then rose and made a toast, "To his Gracious Majesty, the King of Siam, our host. It would be a sad day for our country if her King ever became a spare man." Some of the guests looked a little bewildered at such a toast, but the King's smile was that of a pleased child.

MORE NAMES FOR DALY CITY HONOR ROLL OF SERVICEMEN

Here's a really lengthy addition of names to the honor roll of servicemen and women which The Daly City Record has been publishing since Independence Day. This should bring the published roll practically up to date. However, report of any omissions will be most welcome. Just call RAndolph 3215. Incidentally, don't forget that the paper wants news items for the "Our Men and Women in Uniform" column.

Reporting of boys whose names should be on the plaques at the city hall, 75 Wellington avenue, should be done directly to the city hall. Call RAndolph 4212. The city welcomes additions to these plaques as it wishes every local man or woman in the armed forces to be listed on the permanent honor roll there.

Here are this week's names:

They are patient about waiting

because those Long Distance calls mean so much

A soldier has to line up for a lot of things but we don't like to see him wait too long for a Long Distance call.

Would you mind helping a little by saving the wires from seven to ten for the service men?

That's when thousands of soldiers rush to the telephones at the camps and we'd like to give them first call on Long Distance.

Added Demand For Blood Plasma

The quickened tempo of warfare in the South Pacific has brought added demand for life saving blood plasma and whole blood at the San Mateo County Blood Bank, 25 South El Camino Real, San Mateo.

With long lines of ambulance trains pulling out of Bay area depots for Army and Navy hospitals, loaded with wounded evacuees flown in from South Pacific islands, the demand from these hospitals for blood and plasma has increased many-fold.

Many hospitals other than those of the armed services look to the county blood bank to keep them supplied. Increased demand has been made for the RH negative type of blood, which is only found in a small proportion of donors.

Blood of this rare sub group, in the past month was dispatched from the county blood bank by plane to Fresno, following an urgent appeal sent out by Dr. J. W. Frawley of that city.

In a letter received by the blood bank today from Dr. Frawley, his thanks and those of a baby's parents were set forth. The physician wrote:

"If it hadn't been for your blood bank Baby Pearl would not be alive today. Thanks to you, she is better now."

During the month just closed the county blood bank has sent large supplies of blood and blood plasma to the Navy hospitals of the bay region.

In addition, many other institutions have sent in emergency calls for the RH negative type. These included Oak Knoll (Navy hospital) and Dibble (Army hospital); also Community, Mills Memorial and South San Francisco hospitals in this county; the Stanford, University of California and Franklin hospitals.

"Donors are urgently needed now," said Mrs. Paul J. Hanzlik, executive secretary of the county blood bank. "Demands will be greater this month. We appeal to the patriotism of every able man and woman in this county to be a blood donor. It's painless.

"A few minutes of your time to save the life of a boy . . . maybe that of your own son or brother . . . that isn't asking too much of Americans," concluded Mrs. Hanzlik.

Appointments, to suit the individual's convenience, may be made by telephoning San Mateo 3-1424.

MILLIONTH BENEFIT

The Social Security Board began to pay off, Tuesday, August 8, at Cleveland, Ohio, on its one-millionth monthly insurance benefit in force under the old-age and survivors insurance program.

Initial monthly benefit checks, amounting to $58.49 were presented to Mrs. Mary Rex Thompson, 33, recently widowed wife of a Cleveland war worker, on behalf of herself and her two children, Dale Bernice, four, and Jerald Robert, one.

They mark the start of a monthly flow of such checks that, under normal circumstances, will continue for 17 years—until "Jerry Bob" is 18. Mrs. Thompson's will be resumed again when she is 65, provided she does not remarry. Altogether, the payments on the social security account of her husband, John Robert Thompson, may total $15,000. Thompson paid $145 in taxes over a period of 7 1-2 years prior to his death on June 19, and his employers paid an equal amount on his account.

The checks were presented by Mrs. Ellen Woodward of Washington, one of the three members of the Social Security Board in a ceremony in the Thompson home at 3818 Russell avenue, Parma, where the widow lives with her late husband's parents, Mr. and Mrs. William E. Thompson.

In making the presentation, Mrs. Woodward said that the old-age and survivors insurance program is really a Federal family insurance program under which monthly benefits now are being paid at a rate in excess of $220,000,000 a year. Three of every five beneficiaries are women and children — about 600,000 — and that emphasizes that it is a family insurance program. About 418,000 of the present beneficiaries are retired workers and of course, a number of them are women who have earned retirement benefits in their own right.

Mrs. Woodward gave the following breakdown of the million benefits in force: 418,500 retired workers receiving $9,846,000 a month; 122,000 wives, above 65, of retired workers receiving $1,518,000 a month; 109,000 widows of insured workers with children under 18, receiving $2,155,000 a month; 288,000 children under 18 of deceased or retired workers, receiving $3,550,000 a month; 58,000 widows, 65 or above, of insured workers, receiving $1,172,000 a month; and 4,500 aged dependent parents of insured workers who died leaving no widow, or child under 18, receiving $59,000 a month.

In addition, lump-sum payments amounting to $63,850,000 have been paid in the cases of 450,000 insured workers who died without leaving a survivor who was entitled immediately to monthly benefits.

Mrs. Thompson, in thanking Mrs. Woodward, said she did not know her family had this protection until her father-in-law told her about it after her husband's death. "I thought, until Dad told me, that social security was just for old age. These monthly family payments make all the difference. They will enable me to keep my children with me and give them my personal care," she said. "Without them I would have to get a job. Added to my husband's insurance, however, they will enable me to manage nicely. I know these checks are something I can count on. They will come every month. This social security is a wonderful thing for young mothers—and I am glad to tell about the payments we are getting so that other mothers will know about it."

Mrs. Thompson filed her claims for benefits, July 5, at the Cleveland field office of the Social Security board, 1100 Chester avenue.

Figures for San Mateo county according to the local office of the board show the following benefits in force at this time:

	Number	Monthly Benefit Amount
Total benefits in force	1161	$25,163.83
Wage earner	522	$14,001.68
Wives	136	$1,972.91
Children	16	$237.42
Widows with young children	144	$3,385.60
Children of deceased wage earner	282	$4,210.37
Widows (65 or over)	58	$1,305.39
Dependent parents (65 or over)	3	$50.46

OPA Reduces Price Of Tomatoes

This week's fresh fruits and vegetables market basket price list, which becomes effective in the San Francisco OPA district, today, August 10, features a reduction up to 5c a pound community ceiling prices for fresh tomatoes, the Office of Price Administration announces.

Tomatoes will have a ceiling of 14c a pound in San Francisco Bay area, Monterey, and North bay points. In San Jose and Palo Alto the per pound ceiling price will be 13c and in Vallejo 18c. The cut in tomato ceiling prices is due to favorable weather conditions which have increased the quantity of tomatoes reaching the market.

The ceiling price for plums also dropped to 12 1-2c a pound in the San Francisco Bay area and in Vallejo, a decrease of 2 1-2c a pound. The plum ceiling for North bay points will be 15c a pound while it will be 10 1-2c a pound in San Jose and Palo Alto, respectively.

Democratic Central Committee Will Meet

Roosevelt - Truman - Johnson campaign plans will be announced at a meeting of the San Mateo Democratic County Central committee, Wednesday night, August 16, at the courthouse in Redwood City.

Campaign tactics are being formulated by a sub-committee, named by Chairman Edward J. Carrigan.

Carrigan and Rathbone are delegates to the state Democratic convention this weekend which will be followed by a state Democratic committee meeting.

Named to represent the county on the Eighth District committee are Frank Kent, George Whitesell, Richard Armstrong and R. Cazenave.

Mrs. Ulysses Elms Returns To Daly City

Mrs. Ulysses G. Elms, the former Miss Barbara Davis, daughter of Mr. and Mrs. Leroy W. Davis, 201 Citrus avenue, has arrived home after being in Nashville, Tennessee, Fort Sumner, New Mexico, Long Beach, and Reno, Nevada. Her husband, Lieutenant Elms, a C-46 pilot, is now in West Africa.

Mrs. Elms says Daly City looks far better with its fog than Tennessee with its heat.

Colonel George Harley Davis, brother of Leroy W. Davis, has been a guest at the Davis home for the past week. Colonel Davis is at Oklahoma City, Oklahoma in the Quarter Master Corps.

To Alleviate Need For Seamen

The War Shipping Administration, in a move to alleviate the need for experienced seamen in the engine department, today announced a new one month's course for men with previous mechanical experience.

According to Lieutenant (jg) J. L. Vaughn, district enrolling officer for the United States Maritime Service, the following men are eligible for immediate assignment to duty with the Merchant Marine:

(1) College engineers who have had at least three years education in a recognized college and who majored in mechanical, marine or electrical engineering;

(2) Machinists who have had the equivalent of three years experience as a machinist, three months of which should have been spent on construction, installation or repair of marine engines;

(3) Stationary engineers who have had at least two years experience;

(4) Locomotive engineers who have had at least two years experience.

An applicant with one or more of the above classifications who presents documentary evidence substantiating shore experience is enrolled in the Maritime Service as chief machinist's mate and assigned to a one month's course of training on a Maritime Service training ship, durng which time he will receive $126 per month.

Upon completion of this training, the enrollee will be assigned to vessels of the Merchant Marine for a period of two to twelve months, depending upon the type of previous shore experience. The enrollee is then eligible to sit for a license as third assistant engineer in the Merchant Marine and to receive a commission as an ensign in the United States Maritime Service.

Owing to the increased need for seamen on the Pacific coast, all men who can qualify for this program are urged to immediately contact the U. S. Maritime Service Enrolling officers at either 1000 Geary street, San Francisco; or 514 West Sixth street, Los Angeles, California.

WPB Interprets Christmas Rule

In response to questions from retailers, the Wholesale and Retail Trades division of the War Production Board today issued an interpretation of the status of Christmas gift wrapping under WPB's Declaration of Policy on wrapping and packaging materials.

Merchants are asked to save paper by eliminating all unnecessary wrapping, for gifts as well as ordinary packages. So that any remaining inventories of gift wrappings will not be wasted, stores may use them sparingly. But, for gifts as for other packages, the following conservation measures should be observed:

1. Avoid double wrapping, such as paper over a box.
2. Avoid inner stuffing or other inner wrapping unless necessary for the protection of the item packed.
3. Avoid decorative wrapping effects if they involve the use of any extra paper.
4. Instruct salespeople to tell customers of the wartime necessity for the simplest gift wrappings.

FROM THE FARM FRONT TO THE FIGHTING FRONT

ORDINARILY there's nothing glamorous about a pump. But if it weren't for the faithful job that the pump is doing today on the farm front, there'd be a lot less food on the fighting front.

Hence, a salute to the staunch and steady pump, happily humming in its work toward victory—night and day pouring its productive wealth into the steady stream of supplies that must go through.

And a salute to the farmer too, for keeping up the morale of that fighting pump—for keeping it oiled and clean and rarin' to go.

P.G. & E. has done a big job in meeting increased demands for electric power for our food-producing farmers. This year farm use of electricity is up over 33%—producing food for victory!

9 ways to use fresh fruits

WHEN DELICIOUS late-summer fruits are on the market, there's only one sensible thing to do: put them to good use!

And if the warm days of August make it difficult to think up new ways of doing that, why . . . here are some suggestions that might help!

Plum Sauce tastes mighty good with cookies or cake. Wash plums, prick skins with fork, add a little sugar (depending upon sweetness of plums) and just a little water (to keep from scorching), and cook until tender. All varieties of fresh plums make successful sauce.

Grape-Chicken Salad: just right for supper after a hot day! Toss together diced chicken, chopped celery, orange sections, whole seedless grapes, and French dressing. Serve in lettuce cups, and garnish with small clusters of grapes.

Watermelon Punchbowl is a refreshing idea for serving a cool beverage when you have a number of guests. Cut a large watermelon in half, crosswise, and scoop out all of the "pink meat". Cut off the bottom so it will stand. Fill with iced punch.

Peaches, full-ripe and juicy, make a luscious shortcake whether you use biscuits or cake baked by yourself, or bought at the store.

Cantaloupes, honeydews, casabas—any of the palate-gladdening melons that are in season—make tempting dinner-starters or desserts when they're diced and served in glass. Try mixing two kinds for contrast, garnished with mint leaves. For different flavor, pour grenadine or ginger ale over the melon cubes.

Fresh Apricots (peaches too) add lively interest if they're sliced and used as a generous covering for ice cream.

Plum Pie will be especially popular with the menfolks. Use your favorite recipe for fresh fruit pie, substituting pitted plums.

Grapes lend themselves to many desserts. For instance: fold seedless grapes in cooled blancmange, custards, gelatin whips, rice or bread puddings—or bake them in cream or custard pies.

Honeydew-Grape cocktail starts off any dinner interestingly. Mix a cup each of seedless grapes and diced honeydew melon, cubed sections from a whole orange, 2 tbsps. lemon juice, 1 tbsp. sugar; chill thoroughly and serve in sherbet glasses.

PLANS VACATION

Mrs. Imelda Jackson, secretary to city court and civilian defense departments at the city hall, will spend a week at Rio Nido on Russian river, leaving August 12. She will be accompanied by her mother and sister. During her absence, **Mrs. Madeleine Ferro** will take over her duties at the city hall.

It Won't Take Long To Get To Boston Then

San Francisco will be only 10 hours and 20 minutes from Boston for the commercial airline travelers after the war, according to W. A. Patterson, president of United Air Lnies.

Service between the two ports was assured when the Civil Aeronautics Board at Washington, D. C., authorized United to operate a Cleveland - Hartford - Boston route connecting with the company's present transcontinental service.

Operation of the new route will begin as soon as additional equipment is available and the operations are authorized.

After the war the new route will be flown by four engine, 300 miles per hour, 52 passenger planes, according to company officials. Feeder airlines will make the San Francisco - New England rapid service available to all Northern and Central California points.

Here's Rationing News From Local Board

(Editor's note: this column is prepared for The Record's readers by the local OPA board and is printed by this newspaper for the convenience of both the public and the board.)

Volunteer workers will be urgently needed at the local board after August 15 to assist in issuing the new gas ration books. The work is easy and it is only necessary to volunteer for a few hours a week—no filing, some typing, and lots of book covers on which names and addresses are to be written in long hand. If you can type you will be given typing to do. The local board is open from 8:30 a. m. to 5:30 p. m. for workers and you may work any hours you like. Also, on Tuesday evening the board is open until 8:30. The board closes at 12:30 on Saturday. Further information about the work may be obtained from Mrs. Myra Spangler, who is in charge of volunteer work, or Miss Blue, chief clerk of the board.

It will be impossible for the board to handle the huge volume of new books to be issued in September with its present staff. As a volunteer you will be doing your part for your country and your community. If you have friends or neighbors with whom you would like to work, it is suggested that you come together or as a group. . . Many applications are received which are illegible. This has caused unnecessary delays in handling. Please fill out your applications as fully as you can and print your name and address legibly. Your request will thus be more speedily handled.

Does your grocer and meat dealer have all his products tagged, showing prices, grade and point values? If not, please notify your local Board at South San Francisco 1221. Your price panel will check immediately and see that all articles are tagged with prices, grade and point value. This is for your protection against paying more than the ceiling prices and saves you embarrassment in asking prices. No penalty will be inflicted on your dealer if he cooperates with the requests of the price panel and gets his merchandise properly tagged.

Classified advertising in newspapers has so trained the public as to what to do with a ration book which is found, that War Price and Rationing Boards will no longer require that lost ration books be advertised, according to Monsignor Egisto Tozzi, OPA War Price and Rationing Board chairman for this area . . . Action by the local board today followed the receipt of a notice from the OPA in Washington saying that the advertising requirements for lost ration books must be waived hereafter by local boards . . . "The OPA is indebted to the media of the classified ad for having pioneered an understanding of the rigid requirements of OPA when ration books are lost" said Chairman Tozzi.

Now the public has become educated to drop ration books which they find into the nearest mail box or return to the owner, whose address is on the face of the book. Relaxation of the advertising regulation should not be taken to mean that there are no difficulties in replacing a lost ration book.

STATISTICS

In July 1944 there were 133 births, 101 marriages, and 87 deaths recorded in **San Mateo county,** according to statistics just released by T. C. Rice, county recorder. For the same month in 1943 there were 131 births, 93 marriages, and 96 deaths.

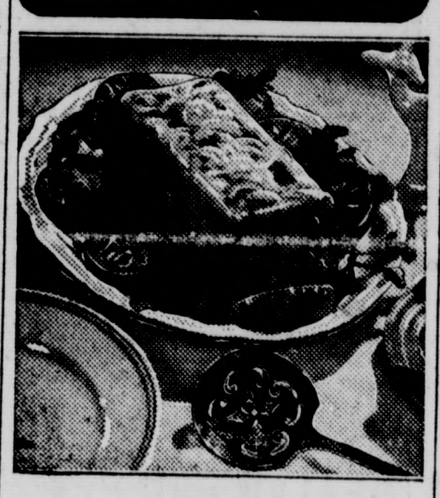
Ration-Time RECIPES



Here's a cheese and macaroni loaf with rarebit sauce that's a toothsome mainstay on a meatless menu. Part of the cheese sauce, made with cottonseed oil margarine, is used to add flavor and moisture to the loaf, and the rest is served with the loaf when it is sliced:

CHEESE AND MACARONI LOAF WITH RAREBIT SAUCE

1 cup elbow macaroni
3 tablespoons margarine
3 tablespoons flour
1 teaspoon salt
¼ teaspoon celery salt
¼ teaspoon dry musta d
Dash of pepper
1¼ cups milk
1 cup (4 oz.) shredded American cheese
1 teaspoon Worcestershire sauce
2 eggs, well beaten
¼ cup chopped green p.pper

Cook macaroni in rapidly boiling salted water until tender; drain. Melt margarine. Blend in flour and seasonings. Remove from heat. Add milk gradually, mixing well. Cook over low heat, stirring until thickened. Add cheese, stirring until melted. Add Worcestershire sauce. To well beaten eggs, add macaroni, green pepper, and half of cheese sauce; mix well. (Place rest of sauce over hot water.) Pour macaroni mixture into well greased loaf pan. Bake in moderate oven (350°F.) about 45 minutes. Turn out on warm platter. Garnish with water cress and broiled tomato slices, seasoned with grated onion, salt, and pepper. Serve loaf, sliced, with remaining cheese sauce. Serves 6.

Other favorite low-point recipes are found in a 32-page cookbook "Ration-Time Recipes." Free copy may be obtained from National Cotton Council, Box 18, Memphis (1) Tennessee.

This Pie Is "Different"

By Frances Lee Barton

MANY claim that chocolate is a man's flavor. Those who have children are always ready to argue about this. And it appears to me that many women have a leaning toward that chocolate flavor in ice cream, puddings and other desserts. In fact, chocolate is universally enjoyed by all ages and both sexes.

So why not vary your apple pies, your berry pies and your raisin pies by serving a "different" pie occasionally — like the Velvet Chocolate Cream Pie below?

Velvet Chocolate Cream Pie

2 to 3 squares unsweetened chocolate; ½ cup sugar; ¼ cup water; 6 tablespoons flour; ½ teaspoon salt; 2 cups milk; 1 egg, slightly beaten; 2 teaspoons butter; 1½ teaspoons vanilla; 1 baked 9-inch pie shell.

Combine chocolate, ¼ cup sugar, and water in saucepan. Cook 5 minutes, stirring constantly. Combine flour, remaining sugar, and salt in top of double boiler. Add milk gradually, stirring well; then add chocolate syrup. Place over boiling water and cook until thickened, stirring constantly. Then continue cooking 10 minutes, stirring occasionally. Pour small amount of mixture over egg, stirring vigorously; return to double boiler and blend. Remove from boiling water, add butter and vanilla. Cool. Turn into pie shell. Top with sweetened whipped cream.

No More Gasoline To Victory Gardens

No special gasoline rations for travel to victory gardens will be issued after August 15, Paul I. Nederman, district rationing executive for the Office of Price Administration stated, this week.

Nederman explained that this action was taken with the approval of the Department of Agriculture.

Motorists who have already obtained rations to travel to their victory gardens may use them as long as the rations are valid, he added.

Army Dietitians Praise Use Of Jam

The tell tale marks of jam stealing on a small boy may well move out of the comic strip world for now Army dietitians have declared jam one of the best sources of vitamins and carbohydrates on G. I. menus. Little Joe Jones must have known this even before the exacting military experts told the Jersey City Quartermaster depot to buy lots of jam for the soldiers.

So, in the fiscal year ending June 30, 1944, the Army sent overseas 708,000 dozen tins containing eight pounds, six ounces each and for installations in the United States, bought 1,672,000 dozen two pound jars of apricot, blackberry, blue berry, cherry, currant, elderberry, grape, peach, and pineapple jam. To haul these vitamins to the depots, 1,300 cars with a minimum weight of 60,000 pounds each, moved over the nation's rails.

Unions Start Blood Donor Campaign

Forty-six trades unions affiliated with the San Mateo County Building Trades council, this week, opened a blood donor contest at the San Mateo County Blood Bank, 25 South El Camino Real, San Mateo.

The several thousand union members are expected to compete. Each union will be scored in the contest which will continue through this entire month. High score will be based on the number of donors in comparison with total membership of each union competing.

The county blood bank must keep pace with the increasing tempo of warfare in the South Pacific. Since the Navy hospitals of the Bay area are daily receiving many wounded from the South Pacific battle zones there is an ever increasing demand on the local blood bank for the life saving plasma and whole blood alike, officials of the project said.

San Mateo county residents as well as the members of organized labor are asked to make August an outstanding month in the two-year history of the blood bank.

HEALTH BRIEF

For the week ending July 29, the health bulletin issued by the San Mateo County Department of Public Health and Welfare listed only one communicable disease in **Daly City,** a case of scarlet fever.

The same bulletin gave the public advice about properly cooking pork. Unless pork is thoroughly cooked there is always danger of trichinosis. It was pointed out that fresh pork should be cooked until it becomes white and is no longer red in color in all portions of the piece, at the center as well as near the surface.

Small Talk

(Continued from Page 4)

leaving on a long cruise, and maybe they wouldn't be back by October 1, or even November 1.

Jordan commented that this might explain his receiving premature ballots from sailors, but not from submarines and coast guardsmen.

He's returning each ballot, with an individually written letter to the man who cast it.

Nor could it be said that he is unhappy over the situation. As secretary of state, what he does rarely makes headlines.

He made the most of his opportunity.

You have seen the name of Assemblyman Lee T. Bashore of Glendora in print a lot, especially during the special session debate on the teacher retirement law, of which he was godfather.

Following its passage, it was suggested to Bashore that the success of the bill had no doubt made him a Hero to the 53,000 schoolteachers of California, and that he could look to them as a large bloc of votes if he ever runs for governor or something.

Nuts, he replied, probably less than half of 'em are registered, and only 25 per cent of the ones who didn't forget to remember would take the trouble to vote.

Maybe Lee should write a pension law with himself as the beneficiary. It would give him something he could be sure of.

Probably the most rabid baseball fan around the capitol is Lawrence C. "Munsey" Munsterman, who has packed the mail over from the U. S. Post Office for the past four years.

The postman's son-in-law, Ernie Bonham, is pitching for the Yankees, and has a record of eight wins, three defeats this season. He has been with the Yanks since 1939.

Ernie and his wife, the former Ruth Munsterman, make their home in Sacramento between seasons. Mrs. Bonham and their three-year-old daughter, Donna Lee, live in New York while daddy is on the road.

No Meeting

Due to the illness of Mrs. Hazel Marsh, leader, Girl Scout Troop No. 2 will discontinue its regular weekly meetings until school reopens in the fall. First meeting will be Friday, September 15.

The troop has been meeting at Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues. Assistant leaders are Mrs. Ada Schultheis and Mrs. Edna Van Vliet.

San Mateo County Has Thirty Districts

There were 30 active elementary school districts in San Mateo county in 1943-44 and not one was suspended in 1942-43, California Taxpayers' association stated today, analyzing the adequacy of elementary school support in California counties.

Eight elementary school districts in the county had fewer than twenty pupils in average daily attendance, the association stated. The smallest elementary school district in the county, Higgins and Pomponio, with only 5 pupils in average daily attendance for 1942-43, received $1,625 each from the state for 1943-44.

Biggest elementary district in the county, Redwood City, had 2,061 pupils in average daily attendance in 1942-43 and received $126,263 from the state for 1943-44. Total state apportionment to the county for 1943-44 for the 11,484 elementary pupils in average daily attendance was $755,458. Each year's state aid to a district, the association explained, is based on the district's average daily attendance for the preceding year.

Organize New Brownie Troop

Mrs. Ruth Rowley, leader, and Mrs. Helen Thornton, assistant leader, have organized a new Brownie troop for the southern section of the city. It meets every Monday and is now open to membership.

Brownies are 7 to 10 years old and a pleasant program of recreation and instruction is planned for them. The group is studying "Children of Other Lands," and just now their topic is the Chinese. As a climax to the unit they plan a trip to world-famous San Francisco Chinatown.

Mrs. Rowley will welcome inquiries about enrolling new girls. She lives at 19 West Cavour street and may be telephoned at ELkridge 4042.

When school reopens the troop will meet at Colma Community Center building, Dunks street. Last week they met at the home of the assistant leader, 15 West Cavour street.

Buy 'em and Keep 'em WAR BONDS

A Lemonade Party for Young and Old

By BETTY BARCLAY

On warm summer afternoons, the children would ask Mammy Lou, "May we have a lemonade party?" So Mammy Lou would bring out a big bowl of lemons. Then while the boys cracked ice, the girls squeezed lemons and mixed the juice with sugar and water.

When each child had a tall, frosty glass of lemonade, mint garnished, there was a raid on the cookie jar, for some of Mammy Lou's famous oatmeal cookies.

The family doctor of Mammy Lou's "chillun" never heard of vitamins but he said that this food and drink combination was good for youngsters. Modern food experts also say that these foods are good for growing bodies, but they explain that the lemonade provides vitamin C, while the oatmeal cookies are rich in vitamin B.

Rich In Vitamins

Vitamin C counteracts fatigue. It is rapidly lost from body tissues during high temperatures. The body does not store this vitamin. For these reasons, the drinking of beverages such as lemonade, which increases the vitamin C intake, is an excellent warm weather health habit. The whole grain oats in the oatmeal cookies furnish vitamin B_1, proteins, phosphorus and iron, all important food elements.

If there are children at your house be sure to keep a well-filled lemon bowl and a well-stocked cookie jar, where small hands can easily get these healthful foods. Teach small daughter to make her own lemonade, small son, too. Daughter may even make the Lemon Oatmeal Cookies, recipe for which is simple and which follows.

The older members of your family will also like these easy-to-make-and-serve refreshments. Big brother and sister find that a glass of lemonade and a few oatmeal cookies fit in just right after a game of tennis, a swim or a dance.

To Make Lemonade

Allow 1 lemon for each person to be served. Extract juice and sweeten to taste with sugar or honey. Add chilled water or water and ice to fill a tall glass. Garnish, if liked, with mint, cherries or berries.

New Way To Make Lemonade

Another easy-to-serve lemonade idea is to squeeze enough lemon juice for several days. Sweeten this to taste and keep in a covered glass jar in the refrigerator. When you want lemonade, pour sweetened juice into a glass, add chilled water or water and ice and your healthful drink is ready to serve.

Lemon Oatmeal Cookies

Brown sugar and lemon juice and peel give special flavor to these cookies. You'll want to make a batch now and again for a boy in camp.

- ½ cup shortening
- ½ cup granulated sugar
- ½ cup brown sugar
- 1 egg
- 1 teaspoon grated lemon peel
- 3 tablespoons lemon juice
- ¾ cup sifted flour
- ½ teaspoon salt
- ½ teaspoon soda
- 2½ cups quick or regular, uncooked rolled oats

Cream shortening, add sugars gradually and cream well. Beat in egg until light and fluffy, add lemon peel and juice. Sift flour, salt and soda together; add with rolled oats to creamed mixture. Drop from teaspoon onto greased baking sheet and bake in moderately hot oven (375° F.) 12 to 15 minutes. Makes 3 dozen cookies.

Local Board Must O. K. Raising Price Of Coffee

"No eating or drinking place may raise the price of coffee to 10c under the new national restaurant price order until it has filed a statement with its local OPA War Price and Rationing Board declaring that more than 5c a cup was charged during the week of October 4 to 10, 1942. A customer has the right to ask for and see the statement."

This is the answer of OPA acting District Director Robert Parks to persons who have found coffee back to a dime in many restaurants.

"Only a few of the 87 per cent of Bay area restaurants, which were required in March to cut to 5c, are eligible to raise coffee prices now," Parks said.

In addition, August 16 is the deadline for all restaurants to post their ceiling prices for forty basic meals and food items.

Coffee is the only food item in the original local rollback order of last March 31 which may be changed. All other prices on the original list of twenty items remain unchanged by the new national restaurant regulation which became effective July 31.

Lesley Hill Named To Attend Conference

Lesley Hill, 127 Templeton avenue, member of Daly City Post No. 410, American Legion, has been elected to represent San Mateo county at the state Legion conference to be held in Los Angeles, August 15, 16, and 17. He was chosen at the Friday evening, August 4, meeting of Twenty-sixth district, American Legion, in Burlingame.

District commander, who was unanimously elected, Friday night, is William R. Cathey, Burlingame veteran of two world wars. Warren D. Andrews, South San Francisco, is first vice-commander and Paul Bradner, San Mateo, second vice-commander.

T. Louis Chess, chairman of the Legion war memorial commission, reported "excellent progress" in securing official authorization of post-war memorial buildings in the county, at Friday night's meeting. Daly City is slated to receive one of the memorial buildings.

Local Workroom Needs Volunteers

One of the volunteers at the Daly City Red Cross workroom, Mrs. A. A. Greig, 638 Hanover street, was recently encouraged to continue the making of dressings as a direct aid to the fighting men by her brother, Charles Leslie, who is serving with England's Royal Air Force. She had told him of the work of the local production room and wondered if he thought that was a direct contribution to the needs of the fighting men.

"We sure need plenty of dressings," he said. "Keep up the good work."

Mrs. J. G. Morris, in charge of the surgical dressings division at the local Red Cross workroom in Theatre hall, just above the Daly City theatre, said that attendance at the Wednesday and Friday sessions had improved but that more volunteers are still urgently needed. Hours are 10 a. m. to 4 p. m. and all local women are invited to assist.

Assn. For Handicapped Plans To Incorporate

Steps were taken at the Tuesday night, August 8, meeting of the Parents Association of Physically Handicapped Children of San Mateo county to incorporate the organization. Two other important projects discussed were getting the group's bill to provide for a Good Neighbor Clinic before the state legislature and interesting the Scouts in the handicapped youngsters of the county.

After the business meeting, Tuesday evening, held at the home of Mrs. L. E. Reighley, 936 South Fremont avenue, San Mateo, a surprise party was given for Mrs. Carl Homelund, president of the association, in honor of her birthday.

Additional information about the association and its plans to assist physically handicapped children of all county communities may be secured by calling Mrs. Clara Lane, publicity chairman, RAndolph 4503.

BETTER WAIT

Persons who wish to renew their "A" gasoline rations will have to wait a little longer, Paul I. Nederman, district rationing executive for the Office of Price Administration stated, this week.

"In spite of the fact that the present "A" book does not expire until midnight September 22," Nederman said, "many persons have attempted to get application blanks for renewing their basic gas ration. The local board simply does not have the necessary forms at this time," he emphasized.

"When 'A' book renewal forms are available the fact will be well publicized," he added.

Colma PTA Reminds Public Of Luncheon

Reservations for the luncheon which Colma P. T. A. will give, Tuesday, August 15, should be made in advance, according to Mrs. Dorothy DeLeon, president. Those interested in attending are to call the hostess, Mrs. Tina Hollingsworth, RAndolph 1238. The public is invited, as well as all members.

Plans are now being made for the night whist which the unit will sponsor, Friday night, September 22, at Holy Angels hall, San Pedro road. Chairman for the event is Mrs. Marjorie Dunkel.

The FOOD that comes in CAPSULES

You know that vitamins are mysterious elements found in foods. You can't sustain life without them. Yet you cannot *see* a vitamin. You cannot touch or taste them. And that is why, when you buy vitamins in concentrated, pharmaceutical form, it is so important to seek the product of a recognized manufacturer.

Because ABBOTT is one of the old and trusted names in this field, we specialize in their products and recommend them confidently. Ask your physician about this brand!
